

*This list describes those entities comprising the Saint Vincent Health System "family" as referenced in the SVHS Notice of Privacy Practices.*

**The Saint Vincent Health System**

The Saint Vincent Health System is more than a regional network of health-related organizations. It's a network of people. People providing health care to others when they need it, where they need it and delivering it with compassion and excellence. The following organizations and their associates form the Saint Vincent Health System, one of the region's largest health systems.
