Classes are every **MONDAY, WEDNESDAY & FRIDAY**

- Class I at 8:30am
- Class II at 10:15am
- Class III at 11:45am

Please call Cardiac Rehab to set a starting date and class time. There may be a one to two week waiting period from when you call and when you can start.

**You can start cardiac rehab after:**

- You have been home from the hospital for at least one or two weeks.
- You no longer require the services of a visiting nurse to make home visits.
- When you are able to drive or can make arrangements for someone to bring you.

**Please check with your Primary insurance carrier for coverage for Outpatient Cardiac Rehab. If you have Medicare, call 1-800-633-4227.**

- Ask how many sessions are covered.
- Ask if your plan has a deductible that has to be met for the year.
- Ask if you have a co-pay.

**Information the insurance company may ask you about the cardiac rehab program.**
